

## Specification text for applications in cable laying

Item Description of works

Fix angle survey markers to all corners of transformer housings and measure and record their position to allow fast and easy positioning on site. Use a stamping mould and/or waterproof pen to indicate the position numbers on the markers.

Angle survey markers by Messrs. Rothbucher Systems, 83457 Bayerisch Gmain, Tel.: +49 (0)8651/2749 Fax: +49 (0)8651/3090.
