

Specification text for applications involving 3-dimensional monitoring of façades

Item Description of works

Fix and number survey markers at each floor level of the façade, at 3 m intervals and at all corners. Then proceed to measure the XYZ coordinates of the markers and record these data. Any further control measurements to be agreed with the site management. Survey markers by Messrs. Rothbucher Systems, Bayerisch Gmain, Tel.: +49 (0)8651/2749 Fax: +49 (0)8651/3090, including fitting and 2 mechanical fixings.

We recommend article nos. **RS50** or **RS60** in red or grey.

At all corners we recommend article no. **RS80** in red or grey.

In difficult positions for measuring, e.g. where space is restricted, we recommend article no. **RSK80** in red or grey.
